COPIES TO:

NARRATIVE (List additional witnesses, suspects, vehicles etc. Describe Briefly
(Use continuation Sheets if necessary))

At 0830 I went to the rear of 268 Appleton which
abuts the rear of the unemployment office on Summer.
I received Sgt. Wm. Taylor and Officer Dan Brady
who had discovered the body of a 33 yrs old black male.

Present was a companion of the victim Mr. Newhall.

Shortly after Off. Brady's departure Capt. Sheehan
arrived and viewed the scene. Capt. Sheehan then
dispatched Insp. Toussaint who arrived and photographed
the victim. He left shortly after w/ Mr. Newhall.

Lt. Busby was present w/ reporting Officer until
Mr. Donough's Funeral car arrived w/ Mrs. Dennis Dole
to remove the body. I understood repeated attempts
to reach the M.E. were unsuccessful. Attempts were
made for three hours approx. 0830 until 1130 am with no
success.

When assisting ~~the~~ with the removal it came to my
attention that a wallet was present in the coat of the
victim. Lt. Busby instructed me to retrieve same and
place it in an envelope, tagged ext. for the CFB.

I turned this over to Sgt. Chevelier @ the main desk.

Respectfully,
Off. L. Hunter # 125
